Mayor Curtis Antoniak & City Council,

With the unfortunate passing of Civil Service commission member Jeffrey Shotts I believe there will be a vacancy on the Civil Service Commission. I believe there should be at least 1 member on this Commission with some First Responder knowledge. With that being said, please accept this email as a request to be appointed to fill this vacancy.

Sincerely, Richard D Ault - City Foreman (retired)

Michelle Langdon

Please consider this as my official request to be appointed to the City of Jeannette's Civil Service Commission.

I retired from the Commonwealth of PA - Department of Public Welfare in 2007. During my career, I held various supervisory and management positions. One of my responsibilities during that time was conducting interviews with prospective candidates using the PA State Civil Service process.

That process included:

Selecting candidates to be interviewed based on their ranking and veterans status on the most recent civil service list

Developing appropriate questions for the oral interview

Conducting the oral interviews

Scoring the candidates based on the oral interview

Selecting the successful candidate(s) in accordance with Civil Service regulations.

I am also familiar with handling suspensions and terminations based on the union contracts or MOUs in accordance with Civil Service procedures and regulations.

I served on the City of Jeannette's Civil Service Commission from 2017 thru 2019 so I am familiar with the additional responsibilities in that position which include:

Monitoring the prospective candidates during the written civil service exam

Monitoring the physical fitness portion of the testing (pass/fail)

Applying weighted values when determining the candidates' final scores

Forwarding a summary of the scores and recommendations to Jeannette City Council for final selection

I would like to be given fair consideration for this position based on my qualifications and prior experience.

Thank you,

Kathie M. Tanyer

MONTHLY ACTIVITY REPORT FOR THE CITY OF JEANNETTE'S CDBG PROGRAM

Report for the Month of December 2021
Prepared for the Mayor & City Council
Prepared by Urban Design Ventures, LLC

The following activities are either under review or were completed during the month of December 2021:

- 1. FY 2017 CDBG Program:** All of the FY 2017 Funds have been drawn down except for the completion of the HVAC System and Security Alarm System in the Library Building. There is a balance remaining of \$24,172.00. Waiting for the next invoice from the Library so those funds can be drawn down and the FY 2017 CDBG Program Year can be closed out.
NOTE: All funds must be spent prior to April 2, 2022 which is the end date of the Grant Agreement with DCED. Recommendation is made to have the City Chief Fiscal Officer contact the Library for an update.
- 2. FY 2018 CDBG Program:** The only remaining funds in this Program Year are for Demolition/Clearance. City Council needs to decide what properties it would like to demolish, so Ed Antonacci can prepare the bid package and Nathan Bish can proceed with the advertising the work. This should be combined with FY 2020 CDBG funds for a larger demolition contract.
- 3. FY 2019 CDBG Program:** There is a balance of \$27,880.76 for the 600 Block of Clay Avenue. All outstanding costs have been paid. The balance will be used for the engineering costs for the 700 Block of Clay Avenue. There is a balance of \$16,251.60 remaining in administration.
- 4. FY 2020 CDBG Program:** The only funds that have been drawn down to date is \$56,834.40 for the Section 108 Loan, which leaves a small balance of \$3,285.60 which will be used with FY 2021 funds to pay the August 1, 2022 payment. There is \$175,300.00 in funds for the 700 Block of Clay Avenue. Ed Antonacci has begun work on preparing the drawings for the 700 Block. The FY 2020 CDBG funds will be combined with the FY 2021 funds to complete the remaining improvement on this last section of Clay Avenue.
- 5. FY 2020 CDBG-CV Program:** Funds have been drawn down for the purchase of PPE Equipment for the firefighters (\$47,066.70) which leaves a small balance of \$2,813.30 remaining. The School District's Chrome Books Activity drew down \$1,260.00 which leaves a balance of \$7,225.00 in that activity line item. Ethan Keedy checked with the School District, and they do want to continue with this

activity. Funds will have been returned to this line item budget. Ethan also checked with the Salvation Army on their food assistance program. There is \$30,000.00 budgeted for that activity. The Salvation Army has not submitted an invoice to date. Walt Haglund has communicated with Mandy Zalich concerning the funds budgeted for the Housing Assistance Program for renters who are behind in their payments. There is a balanced of \$84,400.00 budgeted for this activity in CV funds. There does not appear to be any activity on the part of the subrecipients.

Recommendation: We will have to do a modification and decide on other activities to fund. The activities have to be Covid related for prevention.

6. **FY 2021 CDBG Application:** The CDBG Application was submitted electronically to DCED on time, on Wednesday, October 27, 2021. The City's FY 2021 CDBG Allocation is \$322,170.00. There have been some minor comments raised which have been addressed. The application will now be going to the Contracting Center.
7. **General Administrative:** The City's financial drawdowns were audited by DCED. Ethan Keedy prepared the responses for documentation and submitted it before the end of the year in a timely manner. No additional comments have been received.
8. **Next Steps:** Waiting submit to the PA SHPO the photos and write-ups for the proposed properties to be demolished. Consideration has to be given to revising the activities of the CV Program. The library has to submit an invoice for the work to date or lose the funding.
9. **FINANCIAL STATUS REPORT:** Attached is the Financial Status Report for the CDBG Program Years for the period ending December 31, 2021. A total of \$55,371.25 in CDBG funds have been drawn down during the month of December 2021

Custom Report. Only Reviewed Incidents included. CO Checks only includes Incident Types: 424, 736 and 734. # ApparatusTransports = # of incidents where apparatus transported. # Patient Transports = All patients transported by EMS. #Patient Contacts = # of PCR contacted by apparatus. This report now returns both NEMSIS 2 & 3 data as appropriate. For overlapping calls that span over multiple days, total per month will not equal Total count for year.

City Council Monthly Report 1-13-22

December is typically not very active for permits plus the fact that you have the Holiday Season at the end of the month, so total issued permits may be lower than usual.

Issued 8 Building Permits in month of December 2021 making total to date 72 since March 1, 2021.

Issued 1 Zoning Permits in month of December 2021 making total to date 71 since March 1, 2021.

Handled approximately 60 + phone calls. Permit questions, rental inquiries, zoning issues, etc., again phone calls are a little lower due to Holiday Season.

Several inquiries regarding possible businesses in downtown area which some investors have already closed on properties.

Looking forward to working with the investor for the old PNC Bank building.
Update briefly on permits and zoning.
