

## **Rec Commission**

### **AGENDA**

**06/06/2017**

- I. b Call to Order**
- II. (Pledge of Allegiance)**
- III. Motion to approve previous minutes**
- IV. Reports**
  - **Financial Report**
  - **Motion to approve Financial Report**
  - **DIRECTOR's Comments ~ Motion**
  - **Submitted Monthly Bills/Expenses (Motion to approve/pay)**
- V. Old Business**
  - **Greensburg Construction has tentatively scheduled Work at Altman for July 5 with a possible move-up to June 22. (This will allow for planning for a Summer Program beginning in July)**
  - **All of the mulch has been delivered to the Parks and Coach Hall has committed the football team to do Community Service from June 5-9**
  - **North End ~ Volunteers requested shingles and roofing nails and they will repair Pavilion. Need a grate replaced immediately to cover hole ~ 15"x15"**
  - **Flowers planted at Altman Park**
- VI. New Business**
  - **Security light is broken at Altman. Acquiring estimate to replace. Safety/Security issue.**
  - **Need to clear and stone drainage ditch on hill at Agnew Road Park. It's causing water to stand on roadway and freeze in winter and flood neighboring yard in summer.**

- **I have begun planning a Summer Program for Altman Park beginning in July. Details will follow, but volunteers are available and possible programs are: Cheerleading, Wingeguard, and Baseball with weekly themes ie. Water week, Sports week, TyeDye week, and Superhero week.**
- **Question for City...where are the trash cans that used to line Clay Avenue? Are they still available? Can they be placed at the parks?**
- **Agnew Road has fallen trees that need removed. Working on free excavation.**
- **Water Company advised me while on site at Altman Park that our usage has gone up from 9,000 to 22,000. Although we are actively using the Park, this seems extreme, but we could not find the source. After closely monitoring the restrooms and kitchen, it is clear that the men's room toilet is running on its own. It needs a new ball kit. Adding that to the work list. (And I now know how to open the man hole and shut off water at the street)**

**VII. Good and Welfare**

**VIII. Motion to Adjourn**
