Michelle Langdon gave a report on her doing the accounting and she was asked to present a proposal to the board.

Michael is coordinating the boards. His suggestions for the recreation Commission are: a better direction, communication is lacking, they answer as a whole to city council, meet the first Tuesday of the month (at times this coincides with election and the date should be changed), need to sit at the council seats. 5:30 pm is

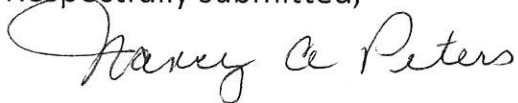

executive session and 6:00 pm public meeting. Have the finances done by the tax office.

The equipment at Myers was discussed; need a seat over the bench form at Third Street Tot Lot, also possibility of picnic tables at North End Rec.

New Business; the maintenance position was discussed and Michele is to post that opening on the city web site.

Adjournment: A motion was made by Robin Mozley and seconded by Robert Tanyer to adjourn the meeting, meeting adjourned at 7:05 pm.
